I hereby give permission for my child to attend and to participate in all Castle Rock Baptist Camp activities and absolve Castle Rock Baptist Camp from liability to me or my child because of sickness or injury while attending camp at Castle Rock Baptist Camp. In case of any accident or serious illness, I hereby authorize Castle Rock Baptist Camp to call upon a physician of their choice and to follow his instructions. If emergency treatment or hospitalization is required, I request Castle Rock Baptist Camp to notify me. I understand that the accident insurance of the camp is only secondary to my personal health insurance and may not cover any expenses depending on the insurance company's findings. Furthermore the Camping staff have been aware of any special health concerns my child has.

## CAMP LOCATION

Castle Rock Baptist Camp is located 25 miles south of Bozeman, Montana, on the Gallatin River. Squaw Creek enters the Gallatin River at the base of Storm Castle Mountain and that is the exact location of Castle Rock Baptist Camp. It is a truly beautiful site. Turn off US191 at Squaw Creek between mile markers 66 and 67, cross the bridge, turn right and follow the road to Castle Rock Baptist Camp.
